

Welcome to the Harvey Product Showroom

Who is Harvey Industries?

Harvey Industries has been serving professional contractors in the Northeast since 1961. As window manufacturers, we design our own insulated windows and doors, including all shapes and sizes of vinyl and wood replacement windows, new construction windows, patio doors, storm doors and patio rooms. We are also a premier wholesale distributor of quality building products such as siding, roofing, decking and flooring.

What is the Harvey Product Showroom?

In 2003 we opened our first Product Showroom with the goal of allowing homeowners to experience our products first-hand. We realize that your home is one of the single biggest investments you'll ever make. Testing, touching, comparing and even visualizing products on your own home are an important part of the decision-making process. Our showrooms are an ideal way for us to show you, in a real-life setting, the vast variety of products, applications, styles, and options available.

Can I buy direct from Harvey?

Harvey Industries is not a retail company and we sell exclusively to professional contractors. If you need a contractor, we'd be happy to help (see "Where can I find a contractor?" below.)

Can I get pricing while I'm here?

Because we are a wholesale distributor, we do not determine consumer pricing. Your contractor would be happy to answer questions related to pricing.

Where can I find a contractor?

We realize that not all visitors to our Product Showrooms are accompanied by or sent by their contractor. Our Contractor Referral Program is our way of helping connect homeowners to professional contractors in their area that have experience installing Harvey products. Please ask a member of our staff for assistance and we will have a list of contractors to you in just a few days.

Note: Referred contractors are independent contractors and not employees of Harvey Industries. We do not warranty the performance of any contractor, including those on our Referral Program.

What if I don't see what I'm looking for?

Please let us know. We are here to help you. If the product you're looking for is not on display, we will do our best to find a way for you to see it!

Thank you for visiting the Harvey Product Showroom.
